APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the manner of use of the underground waters of the Las Vegas Artesian Basin as heretofore granted under Permit No. 8830 is issued subject to the terms and conditions imposed in said Permit No. 8830 and with the understanding that no other rights on the source will be affected by the change proposed herein. A control valve must be installed and measurements of water must be made from time to time. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed Four tenths (0.4) cubic foot per second.

Actual construction work shall begin on or before July 31, 1944.

Proof of commencement of work shall be filed before August 31, 1944.

Work must be prosecuted with reasonable diligence and be completed on or before July 31, 1946.

Proof of completion of work shall be filed before August 31, 1946.

Application of water to beneficial use shall be made on or before July 31, 1947.

Proof of the application of water to beneficial use must be filed with the State Engineer on or before August 31, 1947.

WITNESS MY HAND AND SEAL this 31st day of

January, 1944

Proof of commencement of work filed JUL 21 1944

Proof of Completion of work filed AUG 2 1946
